Moove uses cookies. Cookies are small files which are stored on a user's computer or smartphone when you visit a website. For example:

- IP address of the visitor;
- Date and time of the visit;
- URL of the referring site (the site from which the visitor comes);
- The pages visited on our website;
- Information about the browser used (type and version, operating system, etc.).

We use cookies to facilitate your visit to the website, to improve its performance, efficiency and user experience, and to enhance the relevance of the offerings on this website. Cookies may be placed by us as well as by other parties with whom we cooperate. Below is an overview of the cookies used on the website.

Functional cookies

The following cookies are necessary in order for the website to function properly and provide a requested service. Such cookies are used to save specific user and preference settings, to save login details, if any, and to optimise the user-friendliness of the website. Temporary data is stored to display pages faster and to see if a user is logged in.

Analytical cookies

The cookies below are used to collect information about the use of the website.

Tracking or advertising cookies

Tracking cookies are cookies that gather data about the (internet) behaviour of the user of the website. These tracking cookies are used to enable the user to make optimal use of our website. For example, these cookies are used to record information about the visit so that relevant information can be used on a subsequent visit for the convenience of the user, for example by already filling in forms or offering advertisements or vacancies that match the user's (search) profile.

Control of cookies

Before cookies are placed on your computer or device, you will be requested to consent to set the cookies. By giving your consent to the placing of cookies you are enabling Us to provide the best possible experience and service to you. You may, if you wish, deny consent to the placing of cookies, unless those cookies are strictly necessary; however certain features of our site may not function fully or as intended.

In addition to the controls that we provide, you can choose to enable or disable cookies in your internet browser. Most internet browsers also enable you to choose whether you wish to disable all cookies or only third party cookies.

Most browsers are set to accept cookies by default. However, you can remove or reject cookies in your browser's settings. Please be aware that such action could affect the availability and functionality of the platform.
